

Dogs Day of Summer

Aug 12 Bogus Basin -- 8:30am to 1pm

Frontier Nordic Lodge – Hike and Lunch

Walk/Hike - Nordic Connector, Lower Loop, The Flush, Redtail Trail Extension and Sappers Return.
Estimate 4 miles.

Bring Water for you and your dog. There is no water on trail.

Pack lunch and a lawn chair. After hike, we will drive ½ mile on the Nordic Highway to a very shady spot to relax and have lunch.

There is no bathroom available at the Frontier Nordic Center so stop at Simplot on way through. There is an outhouse where The Flush and Redtail Extension meet. There is no bathroom available where we are having lunch – so plan to find a tree.
