2018 Annual Meeting

The Powderhaus Brewing Company hosted Bogus Basin Ski Club's Annual Meeting on Sunday, April 15. Eighty-five members, guests and friends enjoyed Big Daddy's BBQ chili, tossed green salad, cornbread and dessert. President Darryl Kuhrt presided over the election

of new officers: Michael Bouton, Craig Olsen and Roxann Jensen with Sandra Hufsmith and Sussette Newsom as assistant board

members. Outgoing officers included Mark Barnard, Mike Hanson, Carol Peterson and Anna Anderson. The Board of Directors of the club determined the newly elected board member positions at the May meeting. Brad Wilson, manager of Bogus Basin Ski Resort, outlined future plans for the resort, namely the capture of snow run off to increase snowmaking ability at the resort.

Barbara Bryant presented framed certificates to the Woman of the Year Kim Hovren and Man of the Year Michael Bouton. Betty Hawkins chaired the awards committee and announced the following awards:

Spirit Award: Jeffrey Rossendin, Lisa Litner, Vicki Kuebler.
 Old Boot Award: Kim Hovren.

Sally Rutledge Inspirational Award: Sally Hunt. Fred Uranga, who organized the volunteer recognition program, drew Jim

Hovren's winning raffle ticket for one season ski pass to Bogus Basin Ski Resort. Congratulations go to all of these deserving members.

Thank you to Powderhaus for closing the brewing company to the public for our event. Since the weather was cold and windy, the meeting and dinner were held inside. Some hardy souls braved the outdoors to listen to music by Ross McIntire and Ted Hogander.

Thanks also go to Kas Henry for designing the flyer for the Champagne Brunch, Paul Markowitz for bringing tables, table covers and flags from the storage unit, Nancy Moore and Roxann Jensen for checking in people, Rosie Rosco for taking dinner tickets, Mike Hanson for paying the bills, Steve Strickland for photographing the evening, Carol Peterson for advertising the event on E-blast.

Spring Road Cleanup

Many thanks to the 30 people who signed up to volunteer for this year's road cleanup. Their names will be entered into the volunteer drawing for a ski pass at our next annual meeting. It was good to see new members along with some old friends. We were very lucky to get a really nice day in between some very rainy ones, and all the snow had melted off the road and shoulders.

Comparatively, there was a small amount of trash this

year versus previous years. However some of the more unusual items were a small refrigerator, 4 large tires, a lawn umbrella and a fancy hubcap.

The Ada County Highway District was notified that the Club needs to have an Adopt a Highway sign at the top of the mountain like there is at the bottom of our 8 mile stretch.

Afterwards we enjoyed

some good pizza and beer at Sun Ray. Once again thanks to Jane Gabbert for organizing this event.

Pamela Jean Fisher

Long-time member of the club, Pam passed away June 6, 2018, from a protracted illness. She was born in Nyssa, Oregon and raised in Parma, Idaho. She will be missed by all who knew her.

Boats, Floats & BBQ

With the chance of rain and thunderstorms in the city, some folks thought this event would not happen but it did. We had 38 members and guests come out to Sandy Point/Lucky Peak Park to enjoy the fine cuisine of Big Bertha. Cliff Sell did a fine job on the burgers, brats, and hotdogs. The special recipe chili was the vote getter.

Chuck Creamer and his staff from Alpenglow

came out with paddle boards and inflatable Kayaks. A few people bravely tried them out in the cold water. Someone exclaimed "it's fun but the water is too cold to get into. Let's do this again when it is warmer." So maybe that's an idea. Thank you Chuck and Alpenglow staff for all your effort, and thank you Michael Bouton for organizing this event.

86th Annual Far West Ski Association Convention

were selected from a host of nominees for Man and Woman of the Year Awards at the convention. When you understand that the FWSA covers twelve states with nine (soon to be ten) regional councils representing more than 150 clubs and a combined membership of over 50,000 skiers and snowboarders, you can see why these two deserving club members and current and past officers in our club are truly the *crème de la crème* of the snowsports communities. In addition, Kim Hovren submitted an extensive application for the FWSA Charities and Community Service Recognition Award for Bogus Basin Ski Club. With the photographic expertise of Don Pribble Kim prepared an attractive and informative picture board that won first place in the Diamond category, bringing significant recognition to our club.

Eight delegates from our club attended this year's

annual FWSA convention held at the Atlantis Casino Resort & Spa in Reno, Nevada, June 7-10. They attended several Snowsports Leadership Academy sessions and volunteered at a variety of events. Each day was filled with educational, dynamic, and fun activities. We are proud to announce that Michael Bouton and Kim Hovren

Passing the Pen (and Much More)

If you have enjoyed our ski club newsletter, *The Mogul*, then you have enjoyed the incredible talents and

skills of Carol Peterson. Carol has been writer, layout artist, editor, and publisher of our informative and beautiful newsletter for the past five years! She has done an incredible job on the newsletter as well as being our webmaster too! These were not small tasks and took quite a bit of time, talent, and technical skill. Alas, as with all our volunteer board members, Carol is now taking a well earned break! She has passed the pen (and so much more) into the hands of our new Communications Director, Craig Olsen. We wish Carol the best with all her newly found free time! If you see Carol, please take the time to thank her for all her hard work for our club! With heartfelt thanks, we hope Carol continues to grace our events and trips with her joyful presence!
